We build strong kids, strong families, strong communities.

Dear Neighbor,

I would like to introduce you to YMCA Camp Sargent, now going into its 84th year. We continue to offer a special program that reflects the Core Values of the YMCA and which its principles were founded RESPECT, CARING, HONESTY and RESPONSIBILITY. All this and more is offered at our 22-acre day camp facility on beautiful Lake Naticook, just down the road from your business. It would not be surprising if you or those around you who have been lifelong community members actually attended Camp Sargent during the summer months of childhood.

As a non-profit organization, we strive to offer a positive summer experience to our campers, the children of your customers, consumers and diners. We are committed to an affordable camping experience for all and keep our fees as low as possible while continuing to offer a quality program.

With non-profit status, we are unable to offer attractive salaries. However, we are constantly aware of counselors who go beyond the limit in trying to instill the essence of the YMCA and its core values within the children they care for during the summer months. While we are unable to raise salaries beyond the limits of the budget, or offer bonuses we would like to ask you to make a donation, which would reward those counselors, who make it their mission to reflect those values to children who will become the citizenry of the future.

Would you please consider donating an item(s) of merchandise or gift certificate, which would be given to one of our counselors as a thank you for working with children in a positive framework? We would be grateful for your gift and would proudly display your business name on our website on the C.A.R.E.S (Communities Acknowledging and Rewarding Employees at Sargent) Incentive Program page on www.campsargent.org.

If you could help us, would you please contact me at (603) 881-7778 or Rmenken@nmyca.org or, if you wish, please send it to the address (below), to my attention. Thank you!

Although the snow still is piling high we are well under way in planning a summer program, which will be remembered for a lifetime. Please help us towards this end.

Sincerely,

Randy Menken
Camp Sargent Director
